The logo for Solus Plus is displayed in large, white, sans-serif capital letters. The word "SOLUS" is stacked vertically, with "SO" on the top line, "LU" on the middle line, and "S" on the bottom line. To the right of the word "SO" is a green circular icon containing a white plus sign (+). The background of the entire page is a photograph of large mounds of light-colored sand or aggregate material, with a vertical concrete pillar in the center.

About Solus Plus

Solus Plus is our new mark of assurance for responsibly sourced products. Built on the rigorous standards of BES 6001, it highlights collections produced by factories that demonstrate industry-leading sustainability across their entire supply chain, from raw material extraction to final delivery.

When specified through Solus, these products can contribute valuable credits toward BREEAM, LEED and WELL certification, helping you meet your environmental targets without compromising on quality or design. Look for the Solus Plus symbol to specify with confidence.
