# Groove

A retro range with a nod to the 1980s, Groove has been cleverly designed to encourage customisation. The tiles feature diagonal or horizontal hollows along their length which can be filled with grout in contrasting or complementary colours to create a striking and endlessly repeatable pattern.

Slit  
5HXP104

## NOTES

To avoid lippage we recommend the use of self-levelling spacers

For best results, we recommend using a grout colour that will create contrast with the tile.
