Desk:
50RN105

Ornamentation

Ornamentation is a triple-concavity wall tile suitable for wet and external areas. Six strong colours express a metallic sheen due to the bright surface finish. The glazed corners permit affixation at perpendicular intersections.

IMPORTANT NOTICE

Please be aware that this product is an extruded item designed to achieve a unique rustic aesthetic. Due to the nature of the manufacturing process, variations in size and form are inherent. This characteristic is intentional and adds to the charm of the product. We recommend reviewing this with your clients to ensure they are aware of and accept these variations before purchase.
